Concise - News Worth Your Time

About this app

Concise is a news app that brings you selected news from the day, so that you don't have to go through tons of other news to read them. Every evening we summarize the day with important news from all sectors. News displayed on the app are factual and don't include opinions, speculations or conjectures. From latest political updates to business, sports and entertainment. News is curated from various popular and trusted sources to ensure that we provide you with engaging content that is worth your time.

Concise App Features:

- Briefs: Get updated on the latest news in a very short time.
- Readability: Read news in a crisp format with a fast and seamless reading experience.
- Categorized News: News from various fields curated into different sections in the same app.
- Routine Updation: Catch up with the latest, trending and breaking news from the day.
- Coverage: News updates from India and around the world.
- Save Data: Read preloaded news on the go, even without data access.
- Share: Feel free to share news you like. Concise supports Whatsapp, Facebook, Instagram, Email and other social media platforms.

Why Concise?

- The concise app provides you with only the news from the day, so you don't get tired reading an endless pile of news.
- Whether your interests lie in politics, science, entertainment or sports, we bring you filtered news from all categories, compiling an exhaustive list of news, small enough, for you to be able to read them all.
- Concise is the best app for staying updated with what's happening around you
- With a simple and quick interface, read top news, sourced from popular, verified and trusted publishers worldwide.
- Access the original story with just a click.
- Frequent yet limited notifications on breaking news
